

Collection Statement – Personal Information (i.e. not research information)

McGregor Tan Research (ABN 55 007 850 964) ("**AMSRO Member**") respects your privacy. We will only use the information you provide *for the current market research project for which you are being contacted. In addition, if you consent, your details will be added to our database so that we may contact you in the future for further market research projects. We may contact you by email or phone to conduct a survey, either by telephone or online, or to invite you to attend a focus group.* We may also disclose your information to *other Market Research companies that have commissioned our company to do recruit focus groups on their behalf.* Our Privacy Policy, available on our website, contains further details regarding how you can access or correct information we hold about you, how you can make a privacy related complaint, how that complaint will be dealt with and the extent to which your information may be disclosed to overseas recipients.

Collection Statement – Identifiable Research Information

McGregor Tan Research (ABN 55 007 850 964) ("**AMSRO Member**") respects your privacy. We will only use the information you provide for our research purposes. If you wish to withdraw this consent, you may do so by sending us a letter or email privacy@mcgregor.com.au with your request. We will not disclose any identifiable research information to a third party other than our client, for a purpose other than conducting our research unless we have your express prior consent or are required to do so by an Australian law. Information we collect from you is routinely de-identified and/or destroyed. However, until such time, you have the right to access any information we hold about you. You may also request at any time to have any information we hold about you de-identified or destroyed. If you participate in this survey/research, it is likely that we will re-contact you for market and social research purposes in the future.

Our Privacy Policy is available on our website and contains further details regarding how you can access or correct information we hold about you, how you can make a privacy related complaint, how that complaint will be dealt with and the extent to which your information may be disclosed to overseas recipients. Should you have any questions about our research or any of the above matters, you should contact our office on 08 8433 0200.
